

Star Rank

Workbook

This Workbook can help you organize your thoughts as you prepare to meet with your Scout Leader. You still must satisfy your Scout Leader that you can demonstrate each skill and have learned the information. You should use the work space provided for each requirement to keep track of which requirements have been completed, and to make notes for discussing the item with your leader, not for providing full and complete answers.

If a requirement says that you must take an action using words such as "discuss", "show", "tell", "explain", "demonstrate", "identify", etc, that is what you must do.

Scout Leaders may not require the use of this or any similar workbooks.

No one may add or subtract from the official requirements found in Scouts BSA Requirements (Pub. 33216).

The requirements were last revised in 2022 • This workbook was updated in April 2022.

For Sea Scouts working on Scouts BSA requirements, replace "troop" with "ship" and "Scoutmaster" with "Skipper."

⁶ Assistant patrol leader is not an approved position of responsibility for the Star rank.
⁷ If your family does not have Internet access at home AND you do not have ready Internet access at school or another public place or via a mobile device, the Cyber Chip portion of this requirement may be waived by your Scoutmaster in consultation with your parent or guardian.
⁸ If the board of review does not approve the Scout's advancement, the decision may be appealed in accordance with **Guide to Advancement** topic 8.0.4.0.

The "4 Month" periods mentioned in requirements 1 and 5 should be counted from the date of the First Class Board of Review, to the same date in the fourth month following, regardless of the number of days in each of those months. A 4 month period can thus range from 120 to 123 days.
